This is the supply list for students entering 5th grade. With the exception of the headphones/earbuds, flash drive and Esperanza Rising, these supplies are **communal** and supply packs will be made and replaced throughout the year for each student. We try to make sure all students have the same items. A typical pack will have a pair of socks, a dry erase marker, post-its, pencils, an eraser, glue stick, highlighters and headphones. If you purchase special pencils, pens or markers we ask that they stay at home for homework and projects. We also ask that **pencil sharpeners stay home**. We sharpen pencils every day and have a surplus of sharpened pencil to use or trade in if pencils are dulled or broken.
